

NREMT Mobile Application Version 1

The National Registry of EMTs (NREMT) Mobile app allows Nationally Certified EMS Personnel (EMR, EMT, Advanced-EMT and Paramedic) to track education, renew their certification, and manage their agency affiliations. In addition, candidates are able to manage their profile and check on their application status. Finally, Medical Directors and Training Officers can manage providers and agencies through the NREMT Mobile app.

Features available to all users

- Sign in securely with Touch ID or Face ID (iPhone X only)
- Verify National Registry status for any provider by name or registry number.
- Contact the NREMT using the Contact Us feature

As a Provider, easily maintain your National Registry certification and account from anywhere

- Manage your profile, including address, phone number and e-mail updates
- Check your Initial Application status as a Candidate
- View, add and remove your agency affiliations
- Add courses, add attachments for courses and view your transcript
- Manage your education for recertification, submit your recertification application and check on the status of your recertification application.

Add courses while you are on the go

- Easily add courses to your Professional Transcript as you attend.
- Never misplace paper certificates: the NREMT Mobile app offers the ability to take a picture or upload a file of any supporting documentation to attach to a course you took.

Track your Recertification Cycle and submit your recertification application

- Easily check on your expiration date and recertification application status with just a couple taps on your iPhone.
- Manage your education for recertification, fill out, pay for and submit your recertification application all securely from your iPhone.

As a Training Officer, access your agency information and keep up to date with your providers

- View your agency's roster and which providers are due to recertify for the upcoming season
- Sign off on provider's skills and education
- Approve affiliation requests for your agency
- Review Medical Director actions taken against providers in your agency
- Approve Inactive to Active requests
- Add courses for your agency and assign attendees to the courses

As a Medical Director, access your agency information and keep up to date with your providers

- View your agency's roster and which providers are due to recertify for the upcoming season
- Sign off on provider's skills
- Approve Inactive to Active requests

NREMT Mobile Application Version 1

There is no charge for the NREMT app, but message and data rates may apply. Such charges include those from your communications service provider.

For any concerns or issues with the mobile application, please visit <https://www.nremt.org/rwd/mobile>.

Note: At the top right, there is a “+” that allows you to access quick functions. If you run into any issues using the application, simply click the “+” and you will be able to “Report a Bug”.
